

PRIVACY POLICY OF RYDE9JA 247 GLOBAL SERVICES LIMITED

1. OUR POLICY

Welcome to the Privacy Policy of **RYDE9JA 247 GLOBAL SERVICES LIMITED** (“RYDE9JA”, “we”, “our” or “us”). At RYDE9JA, we value the privacy of our users, riders, drivers, vendors, and other partners interacting with our platform, mobile applications, websites, and services (collectively, the "Services"). This Privacy Policy outlines how we collect, use, store, disclose, and safeguard your personal data. By accessing or using any part of our Services, you acknowledge that you have read and understood the practices described in this Privacy Policy.

We are committed to protecting your personal data in accordance with the Nigeria Data Protection Act (NDPA) and other applicable laws.

PURPOSE OF THIS POLICY

1.1 This Policy explains how we collect and process your personal data through your use of our ride-hailing and logistics platforms, including when you create an account, request or offer a ride or delivery, or otherwise interact with our services.

1.2 Our services are not intended for children under the age of 18. We do not knowingly collect data from children.

1.3 It is important that you read this Policy together with any other privacy policy or fair processing policy we may provide on specific occasions when we are collecting or processing personal data about you so that you are fully aware of how and why we are using your data. This privacy policy supplements other notices and privacy policies and is not intended to override them.

2. INFORMATION WE COLLECT

We may collect and process the following types of personal data:

2.1 Personal Data: When you register for our services, we need to know your name and other personal details like residential address, email address, telephone number, Payment details (e.g., card information), expiry date, Government-issued ID (for driver verification), Profile photo (for drivers and riders), Emergency contact details, Feedback or complaints, and other relevant information. In addition to the above, your personal data may also be collected when you voluntarily provide such information, such as when you contact us with inquiries, respond to one of our surveys (where requested), register for access to the Services, or use certain Services.

2.2 Automatically Collected Information: This is the information we receive about you if you use the websites we operate or the other services we provide. In this case we will have informed you upon collection of the data if we intend to share those data internally and combine it with data collected on this site. We will also inform you to what purpose we shall share and combine your data. Examples of such data includes; Geolocation data (pickup, drop-off, real-time GPS), Device and browser data, Log files and usage patterns, and App usage analytics.

2.3 Data from Third Parties: Relatedly, we are working closely with third parties (including but not limited to business partners, technical sub-contractors, payment and delivery solution providers, advertising and marketing networks, analytics providers, Partnered logistics and delivery platforms, Data from identity verification providers, search information providers, credit reference agencies). We will notify you when we receive information about you from them and the purposes for which we intend to use that information.

2.4. Non-Personally Identifiable Information: Some personally non-identifiable data may be collected when you interact with the Company through the services. Such information, which is collected passively using various technologies, cannot presently be used to specifically identify you. The Company may store such information itself or such information may be included in databases owned and maintained by the Company's affiliates, agents or service providers. The Services may use such information in conjunction with other information to track the total number of visitors to our Site, the number of visitors to each page of our Site, and the domain names of our visitors' Internet service providers. It is important to note that no Personal Data is available or used in this process.

3. OUR USE OF YOUR PERSONAL DATA AND OTHER INFORMATION

3.1. Processing Registration: We gather this information to enable us process your registration, process any orders you may make and render other relevant services as the Company may provide from time to time. The relevant information would also be utilised by us, our agents and subcontractors to provide you with statements of your account, register you as a user or driver, Match drivers with riders or delivery requests, Process bookings, payments, and receipts, and to Communicate with you about service updates or ride status and relating to the conduct of your account and the provision of the service in general.

3.2. Customer Service Improvement: From time to time, we may provide your information to our customer service agencies for research and analysis purposes to enable us monitor and improve quality of services and performance of drivers/riders. We or our agents and subcontractors may contact you by post, e-mail or telephone to ask you for your feedback and comments on our services and address complaints and inquiries. This will help us to Improve user experience, optimize routing and reduce wait times and develop new features and services.

3.3. Marketing and Promotions: We may also wish to provide you with information about special features of our website or any other service or products we think may be of interest to you. We may also want to provide you with related information from third parties we think may be of interest to you. If you would rather not receive this information or personalised ads, you may opt out.

3.4. Document Retention and Compliance:

Ryde9ja may collect, retain and securely store any documents, identification materials or verification data submitted by users, drivers or partners, including but not limited to licences, vehicle registration, insurance certificates and government-issued identification. Such materials are retained only as necessary for operational, contractual or compliance purposes, including safety assurance, fraud prevention and legal or regulatory reporting, in accordance with the Nigeria Data Protection Act 2023.

All retained records are protected by appropriate technical and organisational security measures and will be deleted, anonymised or archived once they are no longer required for the purposes for which they were collected.

4. OUR DISCLOSURE OF YOUR PERSONAL DATA AND OTHER INFORMATION

The Company is not in the business of disclosing your information. We consider this information to be a vital part of our relationship with you. There are, however, certain circumstances wherein we may be required to share your Personal Data with certain third parties without further notice to you, as set forth below:

4.1. Third Party Links: We may also provide your information to carefully selected third parties whose products or services we believe may be of interest to you like - payment processors, IT service providers, SMS/email gateways, map and navigation platforms. If you do not wish us to disclose your information in this way, please send an email to privacy@ryde9ja.com. Please note that these third-party sites operate separate and independent privacy policies. We therefore have no responsibility or liability for the content and activities of these linked sites. We seek to protect the integrity of our website and welcome any feedback about these third party sites.

4.2. Business Transfers: As we develop our business, we might sell or buy businesses or assets. In the event of a corporate sale, merger, reorganization, dissolution or similar event, Personal Data may be part of the transferred assets.

4.3. Affiliated Companies: We may also share your Personal Data with our related Companies for purposes consistent with this Privacy Policy.

4.4. Agents, Consultants and Related Third Parties: The Company like many businesses sometimes hires other companies to perform certain business-related functions. Examples of such functions include mailing information, maintaining databases, and processing payments. When we employ another entity to perform a function of this nature, we only provide them with the information that they need to perform their specific function.

4.5. Legal Requirements: The Company may disclose your Personal Data if required to do so by law or in the good faith belief that such action is necessary to (i) comply with a legal obligation, (ii) protect and defend the rights or property of the Company, (iii) act in urgent circumstances to protect the personal safety of users of the Services or the public, or (iv) protect against legal liability;

4.6. Advertisers and advertising networks: Some advertising networks may require data from our Site to select and serve relevant adverts to you and others. In providing such information, we do not disclose the particulars of identifiable individuals to our advertisers, but we will provide them with aggregate information about our users in terms of ratios or percentage split of our users (for example, we may inform them that 500 men aged under 30 have clicked on their advertisement on any given day). We may also use such aggregate information to help advertisers capture the calibre of audience they aim to target. We may make use of the personal data we have collected from you to enable us comply with our advertisers' requests by displaying their advertisement to that target audience.

5. ACCESSING AND UPDATING YOUR PERSONAL INFORMATION

5.1. Whenever you use our services, we aim to provide you with access to your personal information. If that information is wrong, we strive to give you ways to update it quickly or to delete it – unless we have to keep that information for legitimate business or legal purposes.

5.2. We aim to maintain our services in a manner that protects information from accidental or malicious destruction. Because of this, after you delete information from our services, we may not immediately delete residual copies from our active servers and may not remove information from our backup systems.

6. OUR USE OF COOKIES AND OTHER INFORMATION GATHERING TECHNOLOGIES

6.1. In operating the Services, we may use a technology called "cookies". A cookie is a piece of information that our host computer provides to your browser when you access the Services. Our cookies help provide additional functionality to the Services and help us analyze Service usage

more accurately. They also assist in distinguishing you from other users of our Site and allow for a seamless interaction with our Site. For instance, our Site may set a cookie on your browser that allows you to access the Services without necessitating the need to remember and then enter a password more than once during a visit to the Site.

6.2. In all cases in which we use cookies, we will not collect Personal Data except with your permission. On most web browsers, you will find a “help” section on the toolbar. Please refer to this section for information on how to receive notifications when you are receiving a new cookie and how to turn cookies off. We nonetheless recommend that you leave cookies turned on because they allow you to take advantage of some of the Service features.

6.3. You can set your browser to refuse all or some browser cookies, or to alert you when websites set or access cookies. If you disable or refuse cookies, please note that some parts of this website may become inaccessible or not function properly.

7. HOW WE PROTECT YOUR INFORMATION

The internet is not a secure medium. However, we have put in place various security procedures as set out in this policy.

7.1. Our website is scanned on a regular basis for security holes and known vulnerabilities in order to make your visit to our site as safe as possible.

7.2. We also use regular Malware Scanning as a protective measure on our Site.

7.3. Your Personal Information is contained behind secured networks and is only accessible by a limited number of persons who have special access rights to such systems, and are required to keep the information confidential. In addition, all sensitive/credit information you supply is encrypted via Secure Socket Layer (SSL) technology.

7.4. We implement a variety of security measures when a user places an order, enters, submits or accesses their information to maintain the safety of your personal information.

7.5. All transactions are processed through a gateway provider and are not stored or processed on our servers.

7.6. We restrict access to personal information to the Company’s employees, contractors and agents who need to know that information in order to process it for us, and who are subject to strict contractual confidentiality obligations and may be disciplined or terminated if they fail to meet these obligations.

8. UPDATING YOUR DETAILS

8.1. From time to time and for security and other ancillary reasons, the Company may contact you to update any of the information that you have provided and you may voluntarily undertake to do so by updating your account on the website. You may review and update your personal information by logging into your account or contacting our support team. We encourage you to keep your information accurate and current.

9. SALE OF BUSINESS

9.1. If this business is sold or integrated with any other business your details may be disclosed to our advisers and any prospective purchasers and their advisers and will be passed on to the new owners of the business.

10. YOUR RIGHTS

10.1. You have the right to ask us not to process your personal data for marketing purposes. We will usually inform you (before collecting your data) if we intend to use your data for such purposes or if we intend to disclose your information to any third party for such purposes. You can exercise your right to prevent such processing by checking certain boxes on the forms we use to collect your data. You can also exercise the right at any time by contacting us at privacy@ryde9ja.com.

10.2. Our site may, from time to time, contain links to and from the websites of our partner networks, advertisers and affiliates. If you follow a link to any of these websites, please note that these websites have their own privacy policies and that we do not accept any responsibility or liability for these policies. Please check these policies before you submit any personal data to these websites.

11. EXCLUSIONS

11.1. This Privacy Policy does not apply to any Personal Data collected by the Company other than Personal Data collected through the Services. This Privacy Policy shall not apply to any unsolicited information you provide to the Company through the Services or through any other means. This includes, but is not limited to, information posted to any public areas of the

Services, such as forums, any ideas for new products or modifications to existing products, and other unsolicited submissions (collectively, “Unsolicited Information”). All Unsolicited Information shall be deemed to be non-confidential and the Company shall be free to reproduce, use, disclose, and distribute such Unsolicited Information to others without limitation or attribution.

12. YOUR CONSENT AND CHANGES TO THE COMPANY’S PRIVACY POLICY

12.1. By submitting your information, you consent to the use of that information as set out in this Policy. The Services and our business may change from time to time. As a result, it may be necessary for the Company to make changes to this Policy. The Company reserves the right to update or modify this Policy at any time and from time to time without prior notice. Please review this Policy periodically, and especially before you provide any Personal Data. If we change our Policy, we will post the changes on this page and may place notice on other pages of the website, so that you may be aware of the information we collect and how we use it at all times.

12.2. We will also email you should we make any changes so that you may consent to our use of your information in that way. Continued use of service will signify that you agree to any such changes.

12.3. Owing to the global nature of the Internet Infrastructure, the information you provide may be transferred in transit to countries outside Nigeria that do not have similar protections in place regarding your data and its use as set out in this policy.

12.4. Nonetheless, the Company shall comply with the Nigeria Data Protection Regulation, 2019 (the Regulation) and any transfer of personal data which is undergoing processing or is intended for processing after transfer to a foreign country or an international organisation shall take place subject to the provisions of the Regulation. In addition, we have taken steps outlined above to try to improve the security of your information. By submitting your information, you consent to these transfers.

12.5. It is also important that the personal data we hold about you is accurate and current. Thus, we request that you please keep us informed if your personal data changes during the course of your relationship with us.

13. SECURITY

13.1. All information you provide to us is stored on our secure servers. Any payment transactions will be encrypted. Where we have given you (or where you have chosen) a password which enables you to access certain parts of our Site, you are responsible for keeping this password confidential. We ask you not to share a password with anyone.

13.2. Unfortunately, the transmission of information via the internet is not completely secure. Although we will do our best to protect your personal data, we cannot guarantee the security of your data transmitted to our site; any transmission is at your own risk. Once we have received your information, we will use strict procedures and security features to prevent unauthorized access.

14. DATA RETENTION

14.1. We will only retain your personal data for as long as is reasonably necessary to fulfil the purposes we collected it for, including for the purposes of satisfying any legal, regulatory, tax, accounting or reporting requirements. We may retain your personal data for a longer period in the event of a complaint or if we reasonably believe there is a prospect of litigation in respect to our relationship with you.

14.2. To determine the appropriate retention period for personal data, we consider the amount, nature and sensitivity of the personal data, the potential risk of harm from unauthorised use or disclosure of your personal data, the purposes for which we process your personal data and whether we can achieve those purposes through other means, and the applicable legal, regulatory, tax, accounting or other requirements.
